Shu-Ling Chen, President

This year went by quickly. Thank you for a great support to my first year as the president. The luncheon was definitely a highlight. LaNelle Nash was the master of the installation ceremony of executive officers. Congratulations to Hwee Boon Ng who is voted 2018 NDMTA Teacher of the Year. She will be nominated to the state Teacher of the Year in September. Before we meet again, enjoy the summer. I look forward to seeing you in August.
